

The Stratford and Perth County Community Foundation
invites you to its annual workshop:

From Intention to Achievement: How to Make Your Vision Reality through Strategic Planning

Learn how to:

- Overcome resistance to strategic planning
- Think strategically
- Create a draft strategic vision
- Implement a step-by-step process to improve your organization's efficiency and effectiveness

Date: Wednesday, October 6, 2010
Time: 8:30 a.m. - 4:00 p.m.
Place: Festival Inn, Stratford
(1144 Ontario Street, Guthrie Room)

Workshop presenter is Stratford-based management consultant Ray Harsant, certified Human Resources professional and a graduate of the Executive Development Program in Strategic Planning, Schulich School of Management at York University.

Maximum benefit from this workshop will be obtained by registering a minimum of two or three participants—staff, board members, key volunteers—from your organization so that you can craft and take a draft strategic vision back to your organization. Sign up as soon as possible to give sufficient time to work on the pre-workshop activities and to provide feedback to the presenter so that the session can be more closely tailored to your organization's needs.

Register free of charge by replying by September 17, 2010 to pthistle@spccf.ca with the subject line 'Strategic Planning Workshop'. Please include the names and e-mail addresses of your two or three participants.

This workshop is generously supported by:
